GySgt Hays,

Good afternoon. I hope this email finds you well on this Thursday. Please be advised, that given your appeal for LOD was denied, you have now been placed Medically in an NPQ status. Please see the Page 11 outlining your requirements while you are in this status. Please initial, sign and send this document back to me as soon as humanly possible. I also understand that your end of active duty obligation is on the 22nd of June 2019, but while in a medical status we are hoping you get an extension on your contract. Your package will be submitted soon. If you have any questions please do not hesitate to contact me. Thank you for your time and have an outstanding Navy and Marine Corps day.
